

Renewable Energy Working Group

Prepared by Polar Field Services for:

Introduction

Prepared by Polar Field Services for:

Renewable energy is a viable option
for the Arctic Program.

Appropriate Technology

Prepared by Polar Field Services for:

Meeting Objectives

Prepared by Polar Field Services for:

Define Renewable Energy

Prepared by Polar Field Services for:

The Sun Doesn't Always Shine

Prepared by Polar Field Services for:

Final Sunset of 2001 – Summit Camp

Wind Power

Prepared by Polar Field Services for:

AOC 15/50 Turbines – Canadian Arctic

Fuel Cells

Prepared by Polar Field Services for:

Ballard 250kw Fuel Cell

Hybrid Systems

Prepared by Polar Field Services for:

Wind/PV System in Alaska
